RABBIT COURSING.

LEEDS.—On Monday a rabbit coursing match, for £15 a side, the best of twenty-one courses, was run at the Cardigan Arms, Leeds, between W. Sunderland's bitch Lili, of Woodhouse, and J. Hensley's dog Dick, of Leeds. Lili was the favourite at starting at 2 to 1, and as the match progressed the odds

increased upon her. Dick only got the sixth, seventh, and eighth courses; Lili getting the first five and the last six courses.

FLORA and BRANNAN.—£10 a side is now down for the rabbit coursing match between Marshall's Flora, of Gildersome, and Stead's dog Brannan, of Horsforth, to run the best of twenty-one courses at rabbits, for £25 a side, at St. Thomas's Grounds, Stanningley, on Monday, June 22.

SHEFFIELD.—At the Queen's Hotel Ground, on Monday, a rabbit coursing sweepstakes took place, for dogs of all sizes. Sixteen dogs entered; the first prize (£1 6s. 6d.) being won by Hall's Vic, of Kimberworth; second (10s.), by Cope's Fan; third (2s. 6d.), by Lakin's Bello. George Barker officiated as referee.

SHOOTING.

HORSNEY WOOD.

The aristocratic element was again in force here on Saturday last, despite the miserable weather, and several matches and sweepstakes were got through, Barber liberating about thirty dozen blues. The first handicap was won by Capt. W. Peyton, after tying with Lord Huntingford (who shot at 31 yds rise); the second was won by his lordship, after tying with Mr. Gilmour and Mr. Arabin; the third Mr. Capel took, after tying with Mr. Gilmour and Mr. Arabin; Mr. Capel and Captain W. Peyton divided the fourth; Mr. Hussey Vivian and Mr. Gilmour divided the fifth; the sixth was won by Captain W. Peyton, and the seventh by Major Anson. Four gentlemen then shot two sweepstakes, 25 each, five birds each, 30 yds rise, which were both won by Captain Peyton. Score:—

Captain Peyton	0 1111-1 0 111
Major Hon. A. Anson, M.P.	0 101-0 110
Mr. Robertson	0 100-0 0
Col. Hon. H. Annesley, M.P.	0 01-0 0
Captain Peyton and Major Anson	then shot a match at seven birds each for £10 a side. They tied, doubled the stakes, shot it off at nine birds each, when the Major won, and was again successful in another on the same conditions.	

Score:—
Captain Peyton .. 1000111-1 00001011-0 01000101
Major Anson 1100101-0 10110011-0 1000111
On Tuesday last there was again a good muster to witness several matches set for decision. The first was between Mr. Robertson and Major Anson, twenty-five birds each, for £20. Mr. Robertson shooting at 30 yds, Major Anson at 29 yds rise. The birds, provided by Barber, were such clippers, that a poor score was made, and it resulted in a tie, as the following will show. Score:—
Mr. Robertson.... 0 01111100000101001010101
Major Anson 1110011001101100110000000

Mr. Robertson and Mr. Spencer Lucy then shot a match at fifteen birds each; 30 yds rise, for 20 sovs, and, after a close contest, Mr. Lucy won by one bird. Score:—

Mr. Robertson 11100100001110
Mr. S. Lucy 111001001001101
Mr. Ricardo and Mr. Johnstone also shot a match at fifteen birds each, for a "pony," and Mr. Ricardo won at the eighth round, having killed seven to his opponent's one.

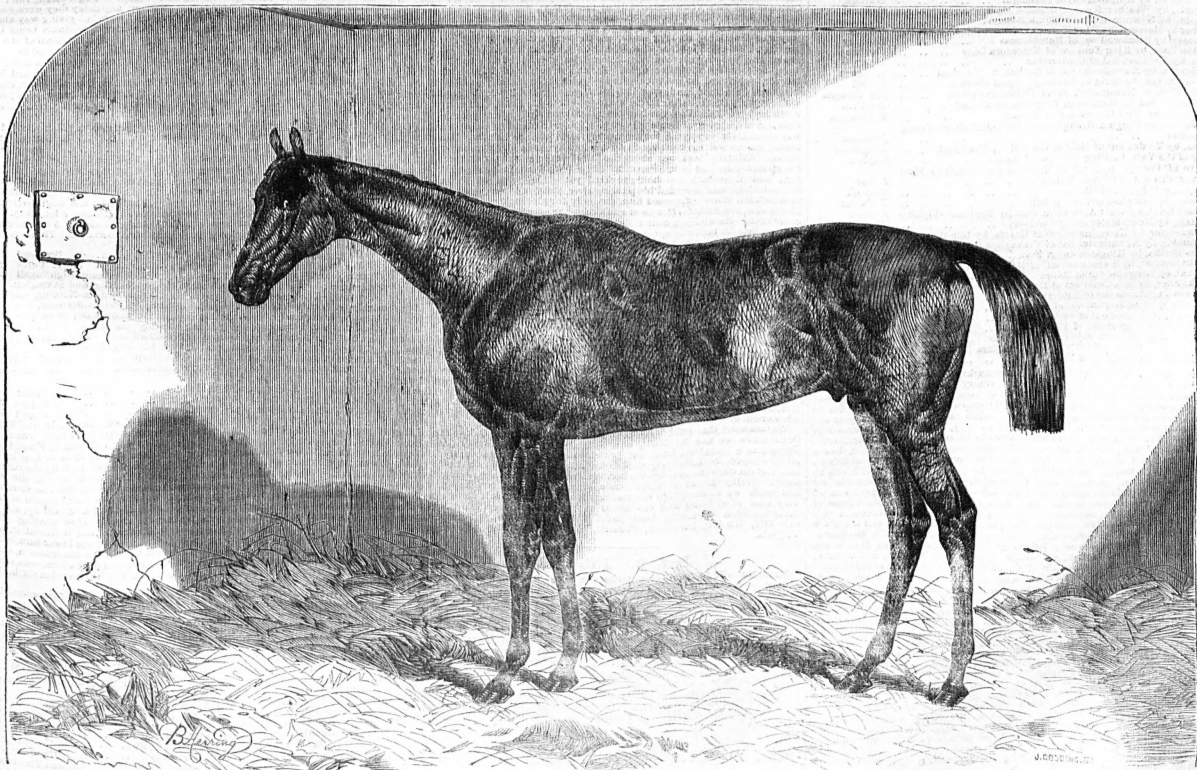

Handicap sweepstakes shooting was then begun, the first being at five birds each, 2 sovs each; the second and third at three birds each. Below will be found the score:—

30. Captain Peyton	11001	..	111	..	00
30. Captain W. Peyton	01111-0	..	10	..	011-1

Mr. J. Woolfoot, Harewood Arms, Leeds, has received £10 a side for a match to shoot twenty-five birds each, for £25 a side, between W. Cowburn, of Carlisle, and H. Lee, of Leeds, the latter to have five dead birds allowed. To shoot with 14oz shot, 21 yds rise, 60 boundary. The match is fixed to come off at Castleford, on Monday next, June 15.

KNURR AND SPELL.

KELLET and JESSOP.—On Saturday, a match at knurr and spell, for £15 a side, was played at the Cardigan Arms, Leeds, between H. Kellett, of Hunslet, and H. Jessop (alias Shiveram), of Gawthorpe. There was little betting on the event. Kellett took the lead from the commencement of the game, gradually gained on his opponent, and was twenty-five scores first when they had played twenty-five rises each. He played seven scores over ten score a rise when they had played fifteen rises each. At the finish of the game Kellett was twenty-four scores first, having, in thirty rises, obtained 297 scores.

"CHARLES STEPHENS.—How could you expect to get a pair of trousers at that
price, which is barely enough to pay for the water-bill! Next time you are in

CITY FINANCIAL AGENCY.—Bills discounted, advances made, and mortgages
associated with privacy and despatch. Parties having money to invest may

commenced at 12 to 10 on Mill, but settled down to even ten just prior to the race. Mr. S. Beasley was appointed referee but owing to illness had to send a substitute.

The grounds were shortly cleared, when a very considerable number of spectators were present, and after a short delay J. Weston and J. Eaves came on the ground for their six score yards match, for £5 a side. Weston being waited on by Ben Harrington, Eaves by George Harthorne. Fifteen minutes were allowed on scratch, which time was nearly expired when T. Cluise, jun., was deputed to fire the pistol, but before performing his office the men got off, Weston with a very slight lead. At half-distance Eaves had broadened his man, when an excellent race ensued, Eaves gradually drawing away from his opponent, and landing himself a winner by a yard. Betting, 2 to 1 on the winner, but very little speculation took place. Referee and stakeholder, Mr. John Talley.

At the conclusion of the above the grounds were again cleared, when, on re-admission, a considerable increase was manifest, despite the relentless drizzle that kept on unintermittently, rendering the grounds still "very wet and worse."

The next event was the quarter-mile match between Mordkye and Buck Barlow, of Birmingham, who came on the grounds in tip-top condition, Barlow attended by Fred Peters and T. Guss. Mordkye by Dodd, an old pet. The ground being measured for the start (four yards off two laps) the men got on the mark, and were quickly despatched, Mordkye at once going to the front, and retaining his position (two yards in advance) to the middle of the second lap, when Barlow, who never after been saving himself, rushed to the front, and won a fast and well-contested race by three yards. Time, 1min 2sec, which proved that the weather had not materially damaged the running qualities of the men. Offers of £ to £4 on Barlow before the men came on the ground; subsequently a trifle was done at even. Mr. J. Talley again acted as referee.

After a delay of half an hour Randle, of Colehill (well-known on these grounds), and Clarke, of Birmingham, came forward, before a large concourse of spectators, for their quarter-mile match. Randle, who showed in fine form, was waited upon by George Harthorne, Clark having the kind attention of George Kimberley. Mr. J. Talley was called upon to fire the pistol, but some few seconds before the "click" the men got off at a slashing pace, Randle going to the front, and retaining his position within fifty yards of home, when Clark, by an extraordinary spurt, got to the front (his action and the crash considerably impeding Randle), and ran in a winner by two yards. Time, 1min 1sec. Speculation commenced briskly on the men showing, at 2 to 1 on Randle, a large sum changing hands. Referee, Mr. J. Talley.

ASH TREE NEW BRICKING GROUNDS, TRIVALE.—As a strong proof of the great amount of interest centred in all sporting matters in the Black Country districts, numbers verging on a thousand assembled at these grounds on Monday last, notwithstanding the unsettled state of the weather, the rain pouring down most pitilessly at intervals during the whole of the day. Nothing daunted, however, the eager sight-seers and sports-lovers congregated at Mr. Thomas's, Ash Tree Inn, where long before one o'clock, not a seat could be had "for love or money." The sun having broken out brightly, shortly after two, sport commenced with the six yds match between Darby, of Oldbury and Young Hodgson, of Birmingham, for 10 sovs, the former having 8 yds start. Both lads appeared in beautiful condition, reflecting the highest credit on their respective trainers—Brushey, on the part of Hodgson, and the well-known Tim Thomas, of Trivale, on the part of Darby. After dodging about for a start for some minutes, the men got off, Darby with some two yards the best, which, in addition to the 8 yds given, put out Hodgson's work for him. The race was well contested throughout, at a slashing pace. Hodgson, however, at the start given his opponent, who is not to be sneezed at, was evidently overmatched, as Darby came in a winner by 3 yds. Betting commenced at even, but on the appearance of the men, 2 to 1 on Hodgson passed current. Mr. Jones, of Oldbury, accepted the post of referee.

At the conclusion of the above, the grounds were cleared, and a large number paid admission to witness the race between Skelton and Bagott, both of West Bromwich, five score yards, for £5 a side. On the men showing, the general theme of admiration. They at once got on the mark, where twenty minutes were allowed to get off, which, however, was cut to waste in running out, until the pistol was called for, when, at the first "click," the men got off at a rattling pace, Bagott getting a trifle the best of the start. A most gamely-contested race, Bagott coming in a winner by 2 yds. The post of referee was very ably filled by the pedestrian veteran, Tim Thomas. We cannot withhold our meed of praise from the proprietor of these grounds for the satisfactory condition to which he has already brought them, and the good order kept on occasions of meetings of the kind.

Ton BARRA and TOWER ROVERS (of Birmingham).—These pedestrian celebrities are matched to run half a mile, for £10 a side (open for £15). To run in six weeks, at Aston Cross Grounds.

J. Lavin, of Dudley Park, and T. Price, of Tipson, are matched to run 120 yds, for a side. It's a side is down.

C. Cluise, of Oldbury, will take two yards start in five score yds of Philip, of the same place; or he will run thirty or Willets (illegible of Oldbury), he'll take distance level, for £5 or £10 a side. Money ready at Thomas's, Ash Tree New Running Grounds, Trivale, near Dudley.

G. Graves, of Birmingham, will run Holcroft (Waxey) 100 yds level, for £5 or £10 a side. A match can be run at Bissell's, Cottage Tavern, Rodway-street, Philip-street, Summer-lane, Birmingham.

ARNOLD.

(From the Original Lithograph.)

TOX BROS., of Birmingham, will make a match to run Woodcock, of Arnold 120 yds, and will give him (Woodcock) two yards start, for £5 or £10 a side—to run in a fortnight. Man and money ready at Howe's Wine Vaults, Howe-street, Birmingham.

J. Eaves, of Milnworth, for £5 a side, on Saturday, July 4. A small stake is down in the hands of Mr. T. Cluise, Aston Cross, to bid the match.

George Huxley, of Birmingham, is prepared to run Catlin, late of Lincoln, a quarter or half a mile round Aston Cross Grounds, if Catlin will give him 4 yds start, for £5 or £10 a side. Money ready at J. Spratts, Britannia Inn, Lancaster-street.

VICTORIA RUNNING GROUNDS, NEWCASTLE.

It was a singularly incalculable day here on Saturday last, the rain coming down a regular pet, yet utterly regardless of elementary vicissitudes upwards of 1,200 persons assembled at these grounds to witness the five undermentioned contests, which it is only just to add gave undisputed satisfaction to the numerous visitors. The first match, which according to announcement ought to have been decided at 3 p.m., was between John Cross and Cook, of Gosforth Colliery to run 80 yds for £10 a side. It has been facetiously remarked that a race of the extraordinary distance is simply a hitch, step and jump, and of a nature better calculated to satisfy the desires of wooden-legged adventurers, certainly we have no great right to complain, although it is a curious fact, that ambitious and lofty minded aspirants only too often arrive at the magnanimous conclusion that, in case of a victory of this sort, their talents are surely of a brooding that will bear the most excessive test; we, however, have no desire to discuss the intrinsic merits of this knotty squabble, and will merely state that this present spin was of a second-rate description and witnessed for the few seconds with much warmth. The men were brought to the

scratch in a very good condition, Cook for preference, and after a little fiddling, they bolted; Cook, however, possessed the greater speed, as he was fortunate in licking his opponent with nearly 5 ft to spare.

The second was of a more interesting nature, the combatants being Thomas Nesbitt, of Balmora's Village, and Peter Hopper, of Coddage, distance 200 yds, for £20, the latter three yards start. This was an exceedingly spirited race throughout. Nesbitt, however, made a mess of it in giving his opponent such a telling start; as it was he was never once able to get alongside of his man, and it was only after a very game and commendable struggle that Hopper was able to reach the goal upwards of four yards in the win. The issue was simply another unlooked-for result.

The third event, which came off about 5 p.m., between I. Morris, of Newcastle, and F. Brown, of Durham, to run 120 yds for £10 a side, was in point of interest the most important of the whole. The competitors, who are old hands, are first-class runners, and it cannot be denied that the manner in which they disputed the rights of supremacy must stamp them as numbers constituted of the genuine metal. Brown, it may be remembered, is in his thirty-seventh year, his last encounter being with Emsley, which took place at these grounds some time since, when Brown vanquished his man in a pretty manner by nearly three yards. About 6.30 p.m. both competitors appeared on the grounds, and although it was raining most unmercifully, they nevertheless went into action like Britons. The men made a very fair start, and ran on equal terms some distance, when the old "un graduate" crept ahead, and despite all the other's endeavors, Brown landed his colours by fully five feet, to the greatest enthusiasm of his backers. We must say that the winner in this match is an exceedingly pretty and effective runner, and had his game been compatible with the arduous profession, he would, without doubt, have lowered the flight of many of our Northern champions. As it is he is a game fellow, and may possibly at some time be one of the natives.

The fourth was between James Talbot, of St. Peter's, and Thomas Harrison, St. Lawrence, to run one mile, four times round the grounds, for £10 a side. These men were naturally not long in effecting a start. There was nothing of any consequence manifested in this match, as it was entirely a one-sided affair throughout. Talbot kept behind his opponent until about 300 yds from the finish, when he literally ran away from his man, and before they had contested 120 yds further Harrison was upwards of 50 yds in the rear; this individual had had apparently no previous experience of such a race, as he sensibly cried "I'm beat," leaving Talbot to run in isolation.

The last on the list, which took place at 7 p.m., was of a very inferior nature. The competitors were David Bedford and James Callaghan, both of the Felling, distance 200 yds, for £20. After a very miserable spin Bedford won in the easiest manner by fully 8 yds. Callaghan's notion of foot-racing appears to us to be limited in the extreme; at any rate he will have to improve materially in many respects before he can, with any credit, contend with a man that can run a little. We offer no disparagement to this aspirant's merits, our desire being simply to discourage hypocrisy.

On the 10th previous John Blake and Richard Fenwick, both of Gateshead, will run a mile race at these grounds, for £10 a side. The match is progressing favourably.

The following matches will be decided at these grounds today (Saturday):—At 5 p.m., G. Corbett and W. Tipplady, of Sheriff Hill, half a mile, for £20; at 6 o'clock John Scott, Willington Quay, and George Bowman, Jarrow, 120 yds, for £20. Bowman 3 yds start; at 7 p.m., Thomas Reed and Thomas Carlton, both of Newcastle, to run 80 yds, for £10 a side.

MAOLESFIELD.

BOWLING—GREEN INN GROUND.—The attendance at these grounds was rather meagre on Saturday last to witness the preliminary contests in the 40 Yds Handicap. Subjoined are the results of the different heats:—Heat 1: G. Hulke, 24 yards' start, first; J. Robinson, 31, second. A good race, won by a yard. Heat 2: F. Edwards, 39, first; G. Chisworth, 35, second. Well contested; won by three yards. Heat 3: F. Hall, 20, first; P. Howarth, 38, second. Won by six yards. Heat 4: C. Riley, 34, first; D. Dean, 31, second. As soon as the men were on their marks, Dean got off, the pistol being fired, and ran the distance alone. Some altercation took place, but, on the referee being appealed to, it was pronounced to start. The pair again the scratch, and ran a well-contested race, Riley ultimately coming in first by two yards. Heat 5: J. Barratt, 31, first; P. Burton, 40, second. Won easily, the latter giving up halfway. Heat 6: W. Bailey, 59, first; W. H. Howdood, 30, second. Won rather easily. The deciding heat will be run off to-day (Saturday), the successful competitors being drawn as follows:—F. Edwards, 39, and G. Hulke 34; F. Hall, 20, and J. Barratt, 31; C. Riley, 34, and W. Bailey, 39.

LEEDS.

WEIGHT AND CHARLAWORTH.—These men met at the Victoria Race Grounds, Leeds, and ran their mile race, for £5 a side. There was little money laid out on the event, and that at about even. The men started evenly, but had not gone far before Spilling took the lead, which he maintained to the finish of the second lap, when Charlesworth gave up the contest. The speed of both men is considered only spitting good walking.

CARRIE.—Mr. C. Garrett has received articles and the first deposit for W. Robinson's bitch Fly, of Chickensley, and W. Fletcher's dog Huss, to run 200 yds, for £10 a side, at the Victoria Race Grounds, Leeds, on Monday next, June 14th.
